# CHRIS **HELM**

440-213-0678 | helm.chris82@gmail.com | www.linkedin.com/in/chrishelm82

## ABOUT ME

Scrum Master with proven ability to collaborate with teams to develop and deliver innovative solutions. Exceptional communication and team management skills. Passionate about creating programs and product features. Military veteran with leadership experience and strong technical training.

## SCRUM MASTER

**Scrum Master at World Shipping** (remote)                    **January 2023 – present**

- Coach and train agile teams to drive progress and maintain team accountability.
- Guide agile teams of business analysts, developers, and testers to plan deliverables for each sprint.
- Provide expertise in identifying iterative process improvements and methods to streamline adoption of the Agile methodology.
- Understand and communicate blockers and risks to ensure successful delivery of prioritized work.
- Assist team members with estimating their capacity and aligning sprint goals based on that capacity.
- Support artifact creation and maintenance, to include Sprint Planning Materials, Release Burn Down Charts, Sprint Burn Down Charts and Defect Log.
- Facilitate the solicitation of input and feedback from the scrum team and business customers after each sprint.
- Take initiative and act as a leader to foster collaboration, communication, and transparency between team members on technical issues, process improvements, and project risks and issues.

## SOFTWARE ENGINEER

**Web Developer at World Shipping** (remote)          **August 2022 – January 2023**
- Responsible for developing React components for company's internal software using React/TypeScript.

**Software Engineer at AtomRain** (remote)                **May 2020 - July 2022**
- Building polished frontend designs of the GraphGrid application with React.
- Testing React components with Jest, React Testing-Library Enzyme and Chai assertion libraries.

## INSTRUCTOR

**Instructor at Nucamp** (remote)                              **Nov 2021 - present**
- Teaching Web Fundamentals (HTML, CSS, JavaScript) on weekends with an exceptional 4.9/5-star rating.

Let's connect and elevate your team's success! 🚀
